## YOUR BEST BAKING JUST GOT BETTER

We know sweeteners. You know baking. It was only natural that we'd come together! We blended pure, unrefined coconut and cane sugars, and then added a pinch of ooh-la-la to create **Madhava Better Baking Blend**. The options are endless. Use as a 1:1 replacement for sugar in all your favorite recipes or even on toast or your morning oatmeal. It adds sweetness and gooey texture to all your baked goods. Adoration, bigger smiles and hugs from your loved ones are included. What more could you want from your sugar? As with all of our deliciously sweet products, our **Better Baking Blend** is all-natural, organic and made with Non-Gmo ingredients. Now that's sweet!
