# ORGANIC CASSAVA

## FRUCTOSE FREE SWEETENER

- USDA ORGANIC
- NON-GMO PROJECT VERIFIED
- KOSHER
- VEGAN
- GLUTEN FREE
- FRUCTOSE FREE

Organic Cassava Syrup is a natural liquid sweetener made from the cassava root and is a healthier alternative to processed sugars and artificial sweeteners. Natural enzymes are used to convert raw cassava into this sweet, neutral-flavored syrup. Cassava is non-GMO, lower in calories and carbohydrates than regular cane sugar and can be used to sweeten your favorite beverages or as a sugar replacement in your favorite recipes. Just pure deliciousness. Sweet!
